

## How to Find Your Way Around Campus

1. Determine your building abbreviation:

CC	College Center Building
IB	Instructional Building
LB	Library
AS	Arts & Sciences Building
TB	Technologies Building
WC	Wellness Center
ED	Dr. Peter C. Ku Education Center
CH	Childcare

2. Refer to the map to find which building your classroom will be located in. Next, look at the four numbers.

The first number is the level. (There are three levels.) The second number is the avenue. (There are six avenues.) The third and fourth numbers are

room numbers. The lowest number on campus is "01" at the north end of the campus. The highest number is "61" at the south end of campus. If a letter follows the room number, it indicates that the room is an inside classroom, between avenues.

Level	Avenue	Room Number
